Ohio Revised Code Section 5321.17 states that either the landlord or the tenant may terminate a month to month tenancy by giving 30 days notice to the other party. Please consider this to be my thirty day notice. R.C. 5321.17 specifies that the 30 days will not begin to be counted until the beginning of a rental term. Therefore, I will expect you to pay the rent through the final day of your tenancy and to vacate the Apartment on or before \_\_\_\_\_, 20\_\_\_\_.

Very truly yours,

Landlord
